### Environmental Policy

DPA Microphones A/S wishes to be known as a "green" company. It is our company objective that DPA products are produced in accordance with the best ecological practices in order to preserve the environment we are all a part of. Consequently, it is our aim to cooperate with both national and international legislative bodies in order to fulfil the requirements and recommendations set forth in environmental standards and directives.

This means that through our conduct and in our design of new products, we shall pursue solutions that bear minimal impact on the ecology and are coherent with the latest legislation requirements (at present directive 9002/95/EC) at the time a new product is introduced to the market. These requirements are valid for DPA as well as for our suppliers.

With respect to waste disposal, we comply in full with the WEEE directive (9002/96/EC) and are prepared to comply to any amendments and succeeding requirements in connection hereto. Thus, starting from 1 January 2006, all DPA products that require a return for upgrading and/or reuse will be provided a "waste" label. This means that the product at the end of its usable life may be returned to the local DPA representative who is prepared to return the product to DPA for disposal under the national legislation program. Furthermore, DPA warrants that any DPA product bought after 1 January 2000 will be covered under the same program in order to ensure our end users adequate means to dispose of obsolete DPA products.

### Service & Repair

Products from DPA Microphones are extremely stable, and there should not be any significant change in the specifications with time and use. If, however, you are not totally satisfied with the characteristics exhibited by these products, contact your nearest DPA Microphones representative for further details of service and the repair facilities that are available. Please contact DPA Microphones for your nearest representative on:

TEL: +45 48 14 28 28

FAX: +45 48 14 27 00

You can also get in touch with DPA Microphones at:

[info@dpamicrophones.com](mailto:info@dpamicrophones.com)

or visit our website at:

[www.dpamicrophones.com](http://www.dpamicrophones.com)

### Warranty

All products from DPA Microphones are covered by a two-year limited warranty on both mechanical functionality and documented specifications as long as the items are not mistreated, abused or modified in any way. In case of a warranty claim your invoice is your warranty registration.
